The first of many such training opportunities, the **REA Regulatory Update/SB 14 Training Workshop** will provide a morning session on recent program and regulatory changes, including information on topics such as the new Universal and E-Waste management requirements. The afternoon session will focus on the requirements and preparation of Hazardous Waste Source Reduction Plans (also known as SB 14 Plans).

These workshops are free to all active REAs. Non-REAs and interested parties may also attend for a nominal fee of \$15. Pre-registration is encouraged.

You can find the Registration form for all workshops at the following links:

REA Regulatory Update / SB 14 Training Workshop [Registration Form](#)

Please note: To ensure that we have enough time to process your registration, we ask that you pre-register by the following deadlines:

June 9, for the June 23 Sacramento workshop

June 15, for the June 29 Los Angeles workshop

June 29, for the July 13 Oakland workshop

Please bring a calculator to the workshop as we will be doing exercises as part of the SB 14 Training.

If seating is available, walk-in registrations will be accepted on the same day.

For non-REAs registering on the day of the workshop, please note that we can only accept cash or checks for onsite registration.

The workshop agenda has been posted to the [REA webpage](#). If you have any questions, please feel free to contact the REA Program at Rea_mailbox@dtsc.ca.gov, or call the REA Hotline at (916) 324-6881 for more information.

Hope to see you all there!!
